APPLICATION FOR WATER SERVICE

I hereby apply for water service at my premises located at

---

(street name and number)

to be furnished through a 5/8 inch meter tap.

If application is granted I will have the tap made and install a shut-off box, service pipe, and fixtures and will provide a suitable place for ease of access for the meter. The meter and shut off shall not be further than two feet into the property to be serviced; or with Utility Board member approval if exception is needed.

I will use the water and pay for same in accordance with the established rules and rates, and I will comply with all the rules and regulations now in force, or which may hereafter be adopted governing the use of water.

The connection fee of \$500.00 (Check made payable to Oldenburg Utility Services and mailed to the above address) accompanies this application. The tap-in fee must be paid before said tap is made.

A representative of the Oldenburg Utility Services Board must inspect all connections before they are backfilled. The inspection fee will be \$50.00. (Check made payable to Oldenburg Utility Services and mailed to the above address.)
